

Sticker cards & Stapled supplements

Sticker cards:

Paper specifications	: 135 grs paper is minimum,
Maximum weight	: 25 gram
Minimum format	: 55 x 85 mm (credit card format)
Maximum format	: 190 x 200 mm

Sticker cards can be placed on the first page of a section. The space to be stickered for a sticker card is 30 mm from the back and 25 mm from the upper, lower and side edge.

Stapled supplements (for stapled sewn):

Minimum format	: 120 x 150 mm (incl. +5 mm header cut-off)
Maximum format	: 223 x 285 mm (incl. +5 mm header cut-off, +26mm at bottom, +4 mm on left-hand pages and +8 mm flap on the right-hand pages), +3mm milled white extra on the left side

For stapled supplements **4+ pages** the top must be closed. This makes pre-stapling unnecessary. The closed top is cut off when the magazine is processed.

DELIVERY:

Delivery to the Printer/Binder **2 WEEKS BEFORE ISSUE DATE**

The copies should be delivered as follows:

- Deliver on sealed pallets with wrapper plastic.
- If delivering multiple inserts at the same time, deliver them on **separate pallets**.
- Do **NOT** pile them alternately.
If they have to be delivered piled alternately, do so in clusters with numbers of copies that are as large as possible (at least 250 copies, preferably more) and include blank sheets between the various layers

Important:

The batch must include a separate example of the inserts, and an accompanying packing notice that includes:

- Description of inserts (which one)
- Title magazine + date of edition for which the batch is intended
- Number of copies delivered
- For multiple pallets for 1 title, please indicate how many pallets and which pallet (e.g. 1 of 3; 2 of 3 etc.)
